

# Student Device Program

<http://www.minlatonds.sa.edu.au/studentdeviceprogram>

## Recommended Minimum Specs

Processor:	Intel processor with 64-bit support; 2 GHz or faster processor with SSE 4.2 or later
Ram:	8GB
Hard drive:	128GBSSD
Graphics:	GPU with DirectX 12 support 2 GB of GPU memory
Display:	13"-15" 1280 x 800 display resolution or greater at 100% UI scaling
OS:	MacOS (macOS Big Sur or later) or Win10/11
Warranty:	3 Year (very important)
Webcam:	Yes
Wireless:	Yes (802.11ac or better)
Battery life:	Up to 10-12 hours (or better)

## Some things to consider:

- **Some CAD software for Design/Tech is NOT available for macOS**
- Chromebooks do not meet the OS requirements
- A well-made case that securely holds and protects the device is extremely important!!
